

BUCKS NOTES

A LOOK AT THE MONTH OF JUNE 2019 (and beyond)

Doughnuts with Dudes (and Dudettes)

To express how much Alta Vista loves our community of dads, we're hosting the first annual (pre-Father's Day) **Doughnuts with Dudes** on Monday, June 3, from 7:30 am to 7:55 am in the Quad area. Students may accompany their dad (or other special male/female in their family) to enjoy a cup of coffee or juice and a doughnut or danish. We will have doughnut holes for participating students. Members of the Auburn Police Department have also been invited to this event!

2018/19 Yearbooks Are Here

The Yearbooks will be distributed Tuesday afternoon! Students and staff will gather in the quad before dismissal on Tuesday to have time to sign each others' yearbooks. If you've not yet ordered a yearbook for your student we have a few extra for sale in the office for \$20 each.

New Family Mentor Program

Alta Vista is welcoming just over 30 new families joining our learning community next fall! To help each new family feel personally welcome and navigate their first year at Alta Vista with confidence, we are connecting them with veteran Alta Vista families who will serve in a mentor capacity.

If you'd like to help welcome a new family, please take a moment to register as a Mentor Family by [clicking here](#) and completing the quick online form, providing the contact information you prefer to be used to make the introductions. Once I have a list of mentor families, I will send out a list of suggested ways to connect and support your partner family in the coming year. Introductions will be made by mid-June. Thanks in advance for participating!

AV Office Summer Hours

Our office team will be here until June 21 and then enjoy a well-deserved break, returning for the new school year on July 31. Office hours are 7:30 to 3:30.

Fun Fact: In the 16th Century, Arab women could initiate a divorce if their husbands didn't pour coffee for them. Coffee was an integral part of the Turkish society...thus the term "grounds" for divorce.

OVER THE SUMMER

Danny Queen will install a **SENSORY PATH** along the outside hall as his Eagle Scout Project

Our culinary lab in Room 7, newly dubbed "Café Seven," will have a hand-washing station installed just outside!
